

K 470 truck toolbox

The first mobile toolbox by ZARGES designed for pickup truck beds – innovative fasteners allow the box to be easily installed and removed.

Product description

- Transportation and storage box for vehicle flatbeds ideal for local authorities, skilled trade, landscape gardening, agricultural and forestry vehicles.
- For quality features and product details see K 470.
- Fitted with armoured clasps for added protection against unauthorised access.
- Two methods of securing the box to a vehicle's flatbed: permanently bolted in place (40510, 40511) or detachable (40512, 40513).
- Equipped with lashing rings on the box floor to secure loads.
- The safety of the K 470 truck toolbox has been successfully crash tested.
- The large range of accessories allows optimal modifications to suit any usage.
- Added sealing protection against moisture and dust.
- Optional clip-on castors enable the box to be moved easily between locations.
